[HISTORY: Adopted by the Board of Trustees of the Village of Depew 5-2-1994 by L.L. No. 1-1994. Amended LL No 1 of 2013 March 11, 2013.]

GENERAL REFERENCES

Firesafety - See Ch. 106.
Noise - Ch. 148.
Cry of false alarms - See Ch. 160.

§ 59-1. Purpose.

The purpose of this chapter is to protect and promote the health, safety and general welfare of the employees and the residents of the Village of Depew by reducing the number of avoidable security and or fire alarms requiring emergency responses which are susceptible to high accident rates, interfere with genuine emergencies (responses) and produce unnecessary alarm noise to the surrounding community.

§ 59-2. Definitions.

As used in this chapter, the following terms shall have the meanings indicated:

ALARM SYSTEM

A device or an assembly of equipment which is designed to detect unauthorized entry, smoke, abnormal rise in temperature, fire from a building, a structure or facility, or which is designed to detect any emergency situation.

and by reason thereof emits a response to alert persons.

AUTOMATIC DIALER

A device that automatically dials and relays a prerecorded message to an emergency agency.

EMERGENCY AGENCY

The Police Department, Fire Department, Central Fire Dispatch or other emergency dispatch centers.

§ 59-3. Compliance required for existing systems.

The owners and lessee of premises that have fire alarm systems or any other system designed to detect emergency situations, shall comply with all of the provisions of this chapter on or before the first day of May 2013.

§ 59-4. Restrictions for automatic connections.

A. No alarm system shall have an automatic dialer feature or other type of alarm alert which connects automatically to enhanced 911 or 911 emergency telephone system.

B. There shall be no automatic security and or fire alarm system with direct communication of any type to an emergency agency without prior written authorization from the emergency agency where the alarms terminate.

§ 59-5. Avoidable alarms.

The activation of any alarm system through mechanical failure, malfunction, improper installation, or the negligence of the owner, user, custodian, or lessee of an alarm system, or of his or her employees, requiring an emergency response when in fact an emergency does not exist, constitutes an avoidable alarm. An avoidable alarm also includes intentional activation of an alarm system when the activator knows an emergency situation does not exist.

§ 59-6. Charges for avoidable alarms.

An owner or a lessee of real property to which an emergency agency responds as a result of an avoidable alarm, shall pay a fee for each such response in each calendar year as follows:

- A. First avoidable alarm response: no charge.
- B. Second and over avoidable alarm responses: \$150 for each.

§ 59-7. Notice of excessive use.

The owner or a lessee of real property which received an emergency response by reason of an avoidable alarm shall be notified in writing by means of first-class mail of each avoidable alarm in a calendar year. The letter shall inform the owner or lessee of the times and types of emergency responses provided to the address location and shall contain a copy of this chapter.

§ 59-8. Administrative review.

- A. The Fire Chief, the Police Chief or their appointed representatives shall establish a Commission to establish a policy and procedure whereby an owner of real property or a lessee thereof on which a fire alarm system has been installed and who has been notified of an avoidable alarm may present evidence as to why any such alarm should not be classified as an avoidable alarm. The Commission shall designate members of their departments, not to exceed three in total, to conduct hearings and receive evidence and make recommendations and findings of facts concerning same. The designated members shall make a final determination, which determination shall be reviewable only pursuant to procedures under Article 78 of Civil Practice Law and Rules.
- B. To challenge the classification of an alarm as an avoidable alarm, the real property owner or lessee thereof shall notify the Commission in writing within 20 calendar days after receipt of the notice of the avoidable alarm of a request for a hearing. The failure to give timely notice shall be deemed a waiver of the right to review the determination.

§ 59-9. Penalties for offenses.

Any person violating any of the provisions of this chapter shall be punished as provided in § 1-10 of this Code.

SUPPORT FOR ERIE COUNTY APPLICATION FOR 2012 PSAP GRANT

Trustee _____, offered the following resolution and moved for its adoption:

WHEREAS, the Erie County Department of Central Police Services (CPS) is responsible for the coordination and centralized support of services to all law enforcement and criminal justice agencies in Erie County, including Emergency 911 services; and

WHEREAS, during the previous County administration, CPS began an \$8 million, multi-phase consolidation and improvement project to give County residents Enhanced 911 (E911) services; E911 is a service enhancement which immediately provides 911 dispatchers vital information about the caller and local first-responder agencies; and

WHEREAS, the E911 system upgrade was planned to be implemented in three phases based on call volume and was going to be largely funded through federal Homeland Security Funding and fewer said funds are now available than they were when this project was initially planned; and

WHEREAS, the first two phases of this project have been completed, but Erie County currently does not have the resources to fund the third phase; and

WHEREAS, as a result of not completing the third phase of the E911 project, many smaller municipalities in Erie County do not have access to the latest technology for this potentially life-saving service; and

WHEREAS, CPS has made completing this project a priority, and has applied for the "Public Safety Answering Points (PSAP) Consolidation, Improvements and Enhancement Grant" – a New York State (NYS) administered grant funding program available to Counties providing funds for costs leading to consolidation in PSAP operations, implementing new technologies that facilitate interoperability and create operating efficiencies, and to promote the development and implementation of cross-jurisdictional regional consolidation; and

WHEREAS, Erie County's application to receive grant funding from the NYS Division of Homeland Security and Emergency Services for the third phase of the E911 Project was rejected for the 2011-2012 funding cycle; and

WHEREAS, Erie County has reapplied for the 2012 PSAP Consolidation, Improvements and Enhancements Grant, requesting \$967,981 in funding from the State; and

WHEREAS, if awarded, the grant funding will allow the County to complete upgrades to E911 equipment in the Villages of Depew, East Aurora and Kenmore, as well as the Towns of Eden, Evans, Grand Island, Springville and Helmuth Fire Control.

NOW THEREFORE, BE IT RESOLVED, that the Erie County Legislature declared this a priority for the County to complete the E911 consolidation project, as an essential component to residents' accessibility to emergency service providers in all regions of the County, and further they declared the completion of the E911 Project a necessary and appropriate public policy for the County; and be it further

RESOLVED, the Village of Depew Board of Trustees support the grant application and completion of the final phase of E911.

**AUTHORIZE ADMINISTRATOR TO ADVERTISE FOR PUBLIC HEARING TAX CAP
OVERRIDE – LOCAL LAW 2 OF 2013**

Trustee _____, offered the following resolution and moved for its adoption:

Be It Resolved, the Village Administrator is authorized to advertise for a public hearing. The public hearing will be held on Monday March 25, 2013 at 7:00 pm in the Council Chambers. The purpose of this hearing is to consider Local Law 2 of 2013 authorizing a property tax levy in excess of the limit established in General Municipal Law Section 3-c. If adopted, the proposed local law shall read as follows:

Section 1. Legislative Intent

It is the intent of this local law to allow the Village of Depew to adopt a budget for the fiscal year commencing June 1, 2013 that requires a real property tax levy in excess of the “tax levy limit” as defined by General Municipal Law Section 3-c.

Section 2. Authority

This local law is adopted pursuant to subdivision 5 of General municipal Law Section 3-c, which expressly authorizes a local government’s governing body to override the property tax cap for the coming fiscal year by the adoption of a local law approved by a vote of sixty percent (60%) of said governing body.

Section 3: Tax Levy Limit Override

The Board of Trustees of the Village of Depew, County of Erie, is hereby authorized to adopt a budget for the fiscal year commencing June 1, 2013 that requires a real property tax levy in excess of the amount otherwise prescribed in General Municipal Law Section 3-c.

Section 4: Severability

If a court determines that any clause, sentence, paragraph, subdivision, or part of this local law or the application thereof to any person, firm or corporation, or circumstance is invalid or unconstitutional, the court’s order or judgment shall not affect, impair, or invalidate the remainder of this local law, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, or part of this local law or in its application to the person, individual, form or corporation or circumstance, directly involved in the controversy in which such judgment or order shall be rendered.

Section 5: Effective date

This local law shall take effect immediately upon filing with the Secretary of State.

The foregoing resolution was seconded by Trustee _____ and duly put to a roll call vote which resulted in the following:
