The undersigned owner of the premises located at

\_\_\_\_\_ Depew, New York hereby agrees to the following conditions for the approval, installation and use of the commercial electronic variable message sign approved under permit number

\_\_\_\_\_:

**LED sign face area shall be limited to 50% of the allowable free standing sign or 40 square feet which ever is lesser.**

**The frequency of the electronic display/displays will be limited to a maximum of one message display per minute.**

**The message displays will be presented only in alpha-numeric format, moving pictures and digital movies will not be utilized. (still graphics may be utilized as back drops to message displays)**

**Message displays will be instantaneous, without scrolling, fading-in, dropping-in, or similar moving copy changes.**

If I fail to adhere to the above conditions of approval I understand that such failure will be considered a violation of the Zoning Law of the Village of Depew. I further understand that a violation of the Zoning Law of the Village of Depew, pursuant to the provisions of Chapter 260, Section 260-67 (Penalty for Offenses) is considered a punishable offense. If convicted of the violation I can be punished by a maximum fine of \$350.00 or 15 days in jail for a conviction of a first offense, and that each weeks continued violation shall constitute a separate additional violation.
