

MEETINGS: 21
NO. OF REGULAR: 21

VILLAGE BOARD OF TRUSTEES OF THE VILLAGE OF DEPEW
January 25, 2020 7:00PM

ROLL CALL: Trustee Hamernik – Pr
Trustee Voll – Pr
Trustee Jakubowski - Pr
Mayor Peterson– Pr

ON A MOTION BY, Trustee Hamernik and seconded by Trustee Voll the January 11, 2021 Village Board Minutes were approved.

ON A MOTION BY, Deputy Mayor Jakubowski and seconded by Trustee Hamernik the January 9, 2021 Planning Board Minutes were approved.

1. 4510 Broadway, Tim Arlington of Apex Consulting Survey & Engineering Services, P.C. on behalf of Mark Kolkiewicz for the approval of final site plan to include five buildings (four 8-unit buildings and one 4-unit building) with associated parking and access driveways. Approved as is dependent on approval of sewer district, two full sets of complete drawings to the Building Department and proof of deed of the combined parcels.
2. 4637 Broadway, Thomas Strauss on behalf of Buffalo Crown Vending Inc. for site plan review for proposed 20’x34’ addition to the east side of existing building with steel roofing and siding to match existing building for an indoor golf simulator. Accepted pending the submittal of updated survey to include dimensions and parking.
3. 5391 Transit Rd, Todd Markevicz of APD Engineering & Architecture on behalf of JSC Management Group for site plan review to add a second drive through lane to their existing site based on concept plan approval from the 11/5/20 Planning Board Meeting. Accepted as submitted.
4. 42 S. Warsaw, Matt Dombrowski requesting approval to subdivide the existing parcel to accommodate sale of existing building on southern portion of lot as per Chapter 260, §260-10(C). Tabled until new survey is submitted.

Deputy Mayor Jakubowski - Y
Trustee Voll - Y
Trustee Hamernik - Y
Mayor Peterson - Y

EMPLOYMENT APPLICATIONS - – DPW – John Gauthier, Anthony Silveri, Daniel Wypij, Stephen Gaglione, Jacob Smith, Brandon Atlas

DEPARTMENT HEAD REPORTS – Police – December 2020 and Annual 2020, Building – Annual 2020 & Fee Report

FIRE CHIEF'S REPORT VILLAGE BOARD MEETING JANUARY 25, 2021

- 1) CURRENT ROSTER: 112 FIREFIGHTERS, 7 EXPLORERS
- 2) JANUARY 2021 CALLS TO DATE: 8 YTD CALLS: 8
- 3) YTD DAMAGES: \$0.00
- 4) Our department's firefighters are currently waiting for the COVID-19 vaccine. There have only been a handful of firefighters who received their vaccine, most in part because of the job they do outside of the fire department. Although our firefighters fall under the state's 1B vaccine designation, it is unclear as to when we will be able to receive the vaccine. We are anxiously waiting for the county to open up additional appointment times for the vaccine to be distributed to more first responders across the county.
- 5) As a result of a natural gas leak call we responded to last week, I would like to remind the public that when they are hiring a contractor (electrician, plumber, etc) for work on their home, to ensure that the contractor is certified, and be sure to have the proper permits in place with the code enforcement office. The fire department responded to a call last week, where a plumber apparently was doing work on second floor water lines of a residence, and in doing so, decided to open up a gas line in the basement that didn't have a cap on the line. Free flowing natural gas was dumped into the residence for almost two hours before the homeowner noticed the smell and called 9-1-1. Upon arrival, the fire department found highly explosive levels of natural gas inside the residence, and it was immediately evacuated. Our investigation found that the plumber turned what he thought to be a water line back on after the conclusion of his work, but failed to realize that it was a natural gas line. The homeowner also did not have any permit whatsoever for the work being done. The proper permit process

could've avoided this issue, and the due diligence done by the code office could've possibly thwarted this emergency. I cannot stress enough the importance of the permit process. The residents and first responders alike could've easily been seriously injured or even killed on this call, and every effort must be made on the homeowners side to ensure the work being done is cleared through the permitting process with the building department. The contractor that performed the work could not be found as of the date of the call, and it is unknown if the contractor was even a certified plumber. In these times of people out of work, anyone can claim that they know how to do plumbing or electrical work in an effort to make income, but the residents must due their due diligence when hiring these contractors, not only for their own safety, but for the safety of everyone else living in the residence, as well as their surrounding neighbors.

Respectfully Submitted,
Todd J. Rzeszutek Todd J. Rzeszutek Fire Chief

POLICE REPORT

- Staff working hard
- Still working with our collaborative team
 - They identified problems through the use of our survey and the largest complaint concerns traffic issues throughout the village and lack of enforcement
 - Will begin new strategies to reduce the communities concerns
- Advised Elizabeth and bob that we were against the assembly bills 1914 and 2462
- Thanks the community for their support
- Thanked the officers for their commitment to the village
- Reviewed monthly totals for December 2020
 - 965 complaints
 - 867 non-criminal
 - 98 criminal
 - Recovered 4 stolen vehicles
 - 38 accidents
 - 3 injury accidents
 - 27 arrest
 - 22 males and 5 females
 - 135 traffic tickets issued

UNFINISHED AND OTHER BUSINESS – N/A

PUBLIC CONCERNS AND COMMENTS

Mayor Peterson read the report for the Fire Department, please see attached.

Bob of Senator Kenedy's office said that the information he received about hockey being allowed was that all youth hockey could also participate and not just high school. Suggest Rec Director Ferguson to follow up. He also mentioned the Bill that Chief Miller brought up regarding liability insurance for each individual police officer is does not have a senate sponsor and not to be too concerned about it, as it died out last year as well and didn't go anywhere.

Elizabeth from Assemblywoman Wallace's office stated that she was in session this week and that she also wrote a letter to the Governor regarding high risk activities at schools now and opening up gyms, etc. Please feel free to contact their office with any State level concerns you may have.

Chief Miller – Would like to stress importance of the permit issuing rules. Please follow them to prevent any further future dangers. He then went over his report as well, please see attached.

CEO Fischione also could not stress enough the turn out of the natural gas leak could have been fatal. They are there for the citizens, the home owners, they work for you, call them for advice, to see if a contractor is indeed certified and licensed. Please see attached.

DPW Pyc told the board that the department is ready with salt and will be out taking care of the streets for tomorrow's expected weather. They are getting a good pool of applications to fill the laborer position.

RJ in OEM said that the Red Cross will be visiting us on 2/1 to see if we can be considered an emergency shelter. Should we be, and if it actually happens, the operation would be run and operated solely by the Red Cross. He and Galen will be training with the County to work in connection with them on the disbursements of the COVID vaccines. He will report back once they know more.

Attorney Alba said all is well, busy as usual. If he owes anyone anything, please reach out to him and let him know. He may be at home, but he is working every day from there.

Trustee Hamernik was honored by the School Board on the 19th. The Dom Pulski building just received its new roof and they are hoping to take ownership of it soon. They are making a heritage wall inside of it if anyone has old photos, etc. please get them to her.

Deputy Mayor Jakubowski will be attending a NEST meeting via ZOOM soon and once he does, he will report back to the board.

One comment from the public was about the types and number of grants the Village has tried for/received that help Depew. The Village has applied for and gotten a good number of grants so far: CDBG grants for sidewalk replacement; DEC Tree Grant for inventory; An all-inclusive park at Dawson Field; a SR. Center HVAC and air filtration system; Fireman's Park is still in progress of approval/submittal; The Justice JCAP grant to remodel the offices; The PD gets them for bullet proof vests, one to help with STOP DWI and Aggressive driving grants; The Rec department just put in for reimbursement for our dehumidifier at the rink and a new back stop at Fireman's Park; GUB red blinking safety system and speed signs. The Village hired a grant writer a few years ago and works with them on the grant applications and what the Village is looking for. Another resident asked the Chief where the survey was on the website, Chief said you can't miss it on PD Website, as soon as you log in it's there and will be until March. It is also on the Village's website under Village News. One last resident asked whose responsibility it was for damaged sidewalks and CEO Fischione replied, "The Homeowner's".

CLAIMS AND ACCOUNTS

ON A MOTION BY Trustee Jakubowski and seconded by Trustee Hamernik, the following claims are to be paid: \$372,839.23 General, \$895.50 Sewer, \$2,496.55 Capital Projects, \$967.66 Capital Project Building Renovations, \$377,198.94 Capital was **CARRIED**.

ADJOURNMENT

ON A MOTION BY Deputy Mayor Jakubowski, seconded by Trustee Hamernik, the meeting was adjourned with a moment of silence for William Stern member of the West End Fire Hose at 8:04 **PM**. The motion was **CARRIED**.

Respectfully submitted,

Teresa Wachowiak
Village Administrator
