

Darwin-Argus Area Sanitary Sewer Re-Lining and Storm Sewer Improvements Project

Construction Update for the Month of :

August 2015

Project	<p>This project is located in the Village of Depew on the following streets: Argus Drive, Darwin Drive, Christophel Drive, Lindan Drive, Lindan Court, Marrano Drive, Arlington Place, Middlesex Road, Asbury Place, Entry Drive, Krieger Road, Center Drive, and Ashford Place. The project includes sanitary sewer re-lining, sanitary sewer replacement, manhole rehabilitation, and storm sewer repair. A large majority of the project is re-lining the sewers with cured in place pipe (CIPP), which is minimally invasive and requires no excavation or damaging of property. A portion of the project does include repairs to the sanitary and storm sewers which will require open-cut excavations of some streets, driveways, sidewalk, and grass areas. Restoration work will include concrete and asphalt driveway repair, sidewalk and curb installation, roadway paving, and landscaping of grass areas.</p>
General Project Schedule	<ul style="list-style-type: none"> ■ United Survey, Inc. began pre-construction inspection of sewer lines at the end of July and will continue until the middle of August. ■ Various open cut sewer repairs and storm sewer installs will be performed beginning in the middle of August and lasting until mid-September, with asphalt, concrete, and surface restoration lasting until mid-October. ■ Sanitary Sewer CIPP lining is scheduled to run from the beginning of September through the middle of October, with subsequent manhole rehabilitation and additional grouting lasting through November.
Monthly Construction Specifics	<p>August 2015 Construction Activities:</p> <ul style="list-style-type: none"> ■ Pre-lining sewer inspections will continue throughout the project area. ■ Sanitary Sewer point repairs, which will include open-cut trench work, will commence around August 17 and last approximately two weeks. ■ Storm Sewer installation, new 12" and 15" lines as well as various catch basins, will begin at the end of August.
